ANCIENT MODERNISED MANIFESTATION PRESCRIPTION

INTRODUCTION

From a heart breaking journey into becoming a Joyful Journey. Energy is just all about matching frequency at the right time and when you allow self to feel how much abundance there is out there, you will easily forget about old schooling.

Prosperity is a free flow of receiving and giving and being equally grateful for it but it needs the heart opening into Self Love.

Because there are so many levels of conscious debris that stops manifestations such as your believe system and holding on to old family ties.

A good example would be if you think you can have all the wealth and health in the world as an automatic : that is fantastic but if the little belief systems underneath this consciousness have not been eliminated, the mind will always take over the strongest level of counter forces/sources. One of them could be that you believe you have to work hard for it or that you are still streaming on survival issues or that you have copied believe systems from your parents, schools, books and taken them for granted for your thinking capabilities were to weak to override it with a higher level of intelligence.

Do understand that mind tricks are very high in intelligence without you being aware of them.

As always the physical body, mental bodies and emotional bodies need to line up with your spirit, with what you think or the spiritual body otherwise we create fractures or broken highways. These ruptures make you fall when running or walking into a new level of development. So, be cautious about what you think 24/7 because your cells will always immediately adapt to it, even if you forget, they will not forget. So, the cellular structure really copies anything you feel and think, imagine these million thoughts a day ?

Somewhere along the road when we learn to let go, eliminate and cleanse the cells from all negativity, you will find great balance!

This year it is even harder than any year because too many unhealthy ways are being exposed in society.

RESISTANCE, FEAR and the inner mental warfare are the most important factors that keep us from transitioning.

Yet you can create your own dream, you can create a space in the brain and align that to the creator self which is your passion, the way you feel things, the way you envision things comes from the brain, the way you put it together comes from the sacral, the way you accept it, believe it, feel the joy, comes from the heart.

Then again former experiences can stand in the way of any creation because one remembers the footage of pain, stress, unworthiness, disrespect or just many failures.

Most importantly, it is what you make of it, how strong are you to let go of belief systems that no longer work, are you hard headed or easy going , are you willing to surrender into

ACCEPTANCE, ALLOWANCE AND BECOMING THE
CREATOR OF NEW REALITIES ?

It will take conscious efforts, for every time a negative emotion pops up, it is up to us to immediately override it in order for it to vanish and keep that thought from integrating. A good way to start out such a training is to look at what you have been creating so far.

How does your life look like, are you satisfied or do you still accuse outside factors to be the cause of distress, discomfort and financial problems. It certainly has not been easy for most of us, not having the technology and knowledge of how to move from one life spam into another and to never FEED into any of the density such as we witness daily in society, economics, politics. Many things came on the surface, yet so many things need a repair kit as ourselves.

Let's open the vortexes where the dollars, yen or euros come in timeless, subtract limitation daily through your meditational set up and practice some Light Engineering. That is the way to become unlimited.

You need to find your own juice, your particular ELIXIR that replenishes self every day and ask your self very frequently:

WHY ARE YOU DOING IT?

If there is still UNWORTHINESS swinging around wand within your body, that means you still allow enslavement! Just eliminate, evaporate, delete this low degrees from your consciousness.

Start feeling the reach into the first level of creating something you really love because it helps you to understand the evolution of your business.

ONCE YOU UNDERSTAND THE
EVOLUTION
OF YOUR DESIRES,
YOU ARE NOT AFRAID
TO CHANGE YOUR BELIEF!
DAILY, WEEKLY, MONTHLY!

You need to expect the manifestation of your desires and match them to many sources and forces which assist you in manifesting your new reality.

Witnessing your own impulses will assist you to receive more and more,,, unless you are blocking it with your own awareness.

DISCOVER THE POWER OF FOCUS!

DISCOVER YOUR POINT OF ATTRACTION AS AN
EXTENSION OF YOUR SOURCE ENERGY!

If something really feels good, isolate it. You only attract your INTENT along your intuition and your imagination.

Make it a point to introduce your self to your own power, now your brain power, know the flow of your heart power, know your creative power in the sacral and align them to what it is you really want to feel and live.

The Supper Attractor

SET YOUR INTENTIONS WITH THIS COMPLETE TOOLKIT FOR INSTANT MANIFESTATIONS LIKE IN THE ANCIENT DAYS AND WAYS YET MODERNISED.

ATTRACT THE RIGHT PEOPLE INTO YOUR “SPACE” AND REFUSE ANYTHING LESS!

TUNE INTO YOUR AUTHENTICITY AND SOUND YOUR PASSION OUT THROUGH PERSEVERANCE AND STRENGTH.

SET YOUR PARAMETERS ON THE MOUNTAIN TOP OF PROSPERITY, SUCCESS, ABUNDANCE AND TOTAL LIFE CHANGES.

START YOUR GOLD RUSH !

YOUR ABILITY TO MANIFEST DEPENDS ON YOUR ABILITY TO FLOW WITH YOUR GOALS, INTENTIONS AND INTUITION AS YOU BRING THEM INTO ACTION

THE SECRET TO EVERYTHING IS EVOLUTION, FLOWING WITH IT INSTEAD AGAINST THE INCOMING WAVES AND KNOWING HOW YOU UPGRADE INTO THAT CONTINUOUSLY.

WE HAVE TONS OF INFORMATION AND ARE HUNGRY FOR WISDOM, KNOWLEDGE AND INTELLIGENCE.

IF YOU WANT TO BE A MASTER TO ALL THINGS AND FROM ALL THINGS YOU NEED TO LEARN FROM THE ANCIENT MASTERS AND CONDUCT YOUR LIFE ACCORDINGLY.

WE ARE LIVING THE COME BACK OF EVERYTHING LOST: ANCIENT TECHNOLOGY APPLIED WITH MODERN DAY APPS WILL BRING THE EVOLUTIONARY TRACKS BACK INTO YOUR FEET: AND THAT IS THE RETURN OF LIGHT CONSCIOUSNESS AND THE LIGHT GRIDS IN EVERY BUSINESS!

As the Ancient saying goes : there is nothing in the whole universe but your Direct Connect to your Source, becoming one with your Source and following DIRECTIONS and REDIRECTIONS given in order to manifest anything you wish.

Therefore, MAKE YOUR EVERY DAY

PRIORITY “THE FOCUS”

Start by creating a SPACE for you to connect with the universe and everything in creation because that is setting in the highest VALUE you can give back which is GRATITUDE before anything else.

CREATE AND AMPLIFY THAT SPACE WHERE YOU MANIFEST EASILY IN ORDER TO REALLY GROUND YOUR DREAM AND BECOME THE VISIONARY CREATOR SELF

IT IS ALL IN YOUR CRYSTALLINE GRID

These Crystalline Grids have been installed all over Earth for 20
years now

By Light Warriors that kept close to their Assignments.
Today these Grids expanded into multiple Grids that need to be
integrated in the Energy wheels or chakra system of your body
which can be done by the installation and integration of a
FOUNDATIONAL HOME BASE GRID

That you can install at any time in your home and from which
every entity in the home will benefit.

These Light Earth Grids will then expand into sub spaces that
will allow the

Forces and Sources of the Universe to step in and assist any
Creation

and Manifestation; for we are essentially made up of ELEMENTS.
These Elements will then assist your Spacial Grid to attract and
Manifest

EXACTLY what you bring into Creation.

Therefore, it is THE MOST IMPORTANT ELEMENT TO WORK WITH
throughout anything in your life as Grids have the capacity to
bring through information, direction, assistance and so much
more; just for you

To REMEMBER YOUR AUTHENTICITY and thus your capacity and
major POTENTIAL to just allow every manifestations.

PHASE 1

ALIGNMENTS REQUIRED TO SET YOUR
MEDITATIONAL SPACE INTO INSTANT MANIFESTATIONS

THE BEST WAY TODAY TO SET UP ANY
MEDITATIONAL FOCUS WOULD BE THROUGH YOUR
CRYSTALLINE HOME BASE GRID WHICH WILL
BECOME YOUR BASIC STATION TO MANIFEST
ANYTHING ANY TIME

As the Ancient saying goes : there is nothing in the whole uni-
verse but your Direct Connect to your Source,
becoming one with your Source
and following DIRECTIONS given
in order to manifest anything you wish
= “Obedience”.

Therefor, MAKE YOUR EVERY DAY PRIORITY “THE FOCUS”

Start by creating a SPACE for you to connect with the universe
and everything in creation because that is setting in the highest
VALUE you can give back which is GRATITUDE
before anything else.

**CREATE AND AMPLIFY THAT SPACE WHERE YOU MANIFEST
EASILY IN ORDER TO REALLY GROUND YOUR DREAM AND
BECOME THE “VISIONARY CREATOR SELF”**

Remember everything is a choice, the more we choose to align in perfection as is required today, the easier all of the old controlled and manipulative mind set will leave your brain to set its intricate equipment to a Light Earth Brain and body. All of the old mental attitudes and old TAGS need to be removed in order to embrace our MENTAL BRILLIANCE and set ourselves free from anything that brought us down over the years.

So here is another important factor that grids do : What happens when not aligned , integrated with and working with the Crystalline Grids is that the density of the electromagnetic system has ALL FREE OPTIONS to hack you over and over again because your energy field has NO PROTECTION even if you use gemstones or light bulbs or anything else.

TODAY THERE IS ONLY THE GRID THAT SETS YOU FREE and aligns you back to where you belong, where you are needed and what you came in for to do on earth. So quite obviously anything moving on Free Will will no longer be tolerated as it will never set the records on the higher standards of the gathering and Unitarian means.

There is a lot of information about the crystalline grids on my website, should you have interest in knowing what it can do far beyond the elimination of anything negative.

As you sit in that peaceful space :

ALIGN TO YOUR CHACRA SYSTEM ?

(if at this stage you feel the energies coming in already waving through the body like an ocean, then you do not need to set that up any longer for it has become a BEAM OF LIGHT!

ALIGN TO THE PILLARS OF LIGHT!

CONNECT TO YOUR SOURCE/SELF IN THE PITUITARY.

ALIGN TO YOUR CRYSTALLINE HOME BASE GRID STATION AND ANCHOR THAT FIRMLY IN.

NOW YOU ARE READY TO SET UP THE PENTAGRAMS OF PLEASURE FOR YOU TO MANIFEST ON A DAILY LEVEL, IT COMES DOWN TO THE NUMBER 555

(5 equals the 5 points on a pentagram, we work with 3 pentagrams)

Set up an upward White Light PENTAGRAM all over the body as in the Design given that will move with the IONS in the body and provide a quick transition.

An ION indicates an action, a process, or a state of being.

Thus when choosing words that end on 'ION' on your pentagrams, it means that they move into activating the consciousness of these words in the body and thus assist your manifestation process :

Left bottom dot : Perfection, top dot: Direction, right bottom dot : Succession, left upper angle : Elimination, right upper angle : Completion.

Breathe that White Light Pentagram through for a few minutes as this is connected to your White Light beam that comes through Lake Erie in Ohio as that is the place on the planet that hosts the white ray of purification, elimination and economic wealth.

Over this White pentagram set up a Black downward pentagram and choose your own ionic words on these 5 dots. It means that you can choose 5 words that you really need to integrate in the body, but they need to be ions.

Simply stated choose 5 words that end with 'ION' such as :

Designation, fertilization, manifestation, realization, expectation, creation, affection, and so on.

MY EXAMPLE : ACTION, REACTION, CREATION, FERTILIZATION, MANIFESTATION

Breathe your Black Pentagram through for another 5 minutes as it is connected to the Black universe we are living in right now. It hosts the Omnipotent Energy for manifestation.

This is fun to do because one can frequently change the ions on this Black pentagram when integrated.

The ions on the white pentagram will remain the same as they will lead into completing all of the old.

As you move with your White Light Pentagram , it will first lead you to Perfection of any kind, : this means that you need to let go of anything that stand in the way of creating a perfect life for yourself such as old relationships, family members, old habits, addictions, fears, judgement, self manipulation, old memory bands, stuck patterns or any issue that may hold you back. Remember : this age is all about removing the emotional body and allowing the higher Mental, Spiritual and Sensual bodies to take over .

Then direction : It is important for you to know in which direction you are heading with your life as you are setting new goals into manifestation.

LETS EXPLAIN THE DOTS ON

THE WHITE PENTAGRAM

DIRECTION AND REDIRECTION comes through the Lavender planes instant manifestations ,simply state :

“MY DIRECTION AND REDIRECTIONS RIGHT NOW” and place these words in the middle of your brain. Repeat a few times until you see these Golden words surrounded by lavender spheres in your brain.

You will feel these directions coming through with your intuition during the day and you can repeat this as often as you feel like it.

PERFECTION is important to integrate for it allows you to polish your issues and clear out old mental/physical/emotional turmoil as often times, A SIMPLE THOUGHT CAN JUST KEEP US FROM MANIFESTING!

SUCCESSION : Should you wish to work deeper into a truly successful space, then the SILVER RAY is the color to really anchor in the body simply by inviting the silver ray , breathing it through with the mantra :

“I Am 100% success” and repeating it.

Anything you REPEAT in the brain becomes a new consciousness and overrides all the old thinking patterns.

ELIMINATION is often seen as the hardest process to go through as humans tend to hold on to many times to the past and outside forces for their problematic static. Today however , there are so many techniques to quickly transform the brain-waves and allow the glands in our body to release any old issue which is a necessity for creation to take place.

COMPLETION means that everything you have lived until now on earth and before that needs to leave your space for there is a lot of density such as health problems, mental attitudes and people that keep us moving on a downward spiral or that keep us from manifesting a wonderful life on every level of our being.

SET UP THE GOLDEN PENTAGRAM

That is meant to put things you desire into instant manifestation and thus your working pentagram : you can put any PHRASE INTO THAT GOLDEN PENTAGRAM AND BREATHE THAT PHRASE INTO IT and run it through the spinal column with your out-breath from the frontal sinus or third eye area down the spine.

As you breathe out, the pentagram runs down and back up the spine and manifests the phrase you have been putting into it. I would suggest you repeat 1 phrase like 10 times and then try out another phrase and another. When you practice this for a while, you get very accustomed to it and will manifest immediate reactions in our environment. It is also a good exercise to upgrade your breathing system.

When in deep focus, COLORS WILL MANIFEST IN THE GOLDEN PENTAGRAM THAT YOU RUN UP AND DOWN THE SPINE THAT ARE VERY SPECIFIC TO YOUR PARTICULAR PHRASE OR MANTRA.

You may just want to breathe the 5 dots on your upward Golden pentagram in between your eyebrow or design it in the air and breathe it through as you visualize a simple Golden Pentagram. Then just say for example :

“My 100% successful enjoyable newly created T-shirt that sells like magic” and place that into the Golden pentagram while you breathe these words in your Golden Pentagram , as you breathe out , the Golden pentagram will run down through your open spine, and back up the spine where it stations again in between your eyebrows.

Please repeat for a few minutes and let go. Some people like to do 5 phrases 5 times for 5 days as that also creates the magical number 555. (3 x 5pentagram) From my experience however, this is not necessary.

Depending on what kind of words that are your desires are being placed in your Golden Pentagram, it will show you many more colors that assists the manifestation to occur.

THIS IS A MATTER OF TRUSTING SELF, ALLOWING THE MANIFESTATION TO COME THROUGH AND ACCEPT THE FLOW AND THEN LET GO, LET GO, LET GO

Without letting any thought in the way of this manifestation. You may want to do this with many other things you would like to manifest and observe how that grows.

The more detailed your phrase is, the more intense the manifestation will be. The universe loves DETAIL!

Another example:

‘My perfect harmonious, deep sensual, extremely interesting, mutually respectful relationship and friendship with (fill in a name).

Another way to do this is working with your “I AM” as you start to infuse a sentence into your golden pentagram.

An example : “ I AM 100% BEING RESPECTED, LOVED, ADMIRER BY EVERYBODY”

“ I AM HAVING THE BEST CONVERSATION EVER WITH (fill in the name) solving all the problems between us”

“I AM ALLOWING MY NEW JOB AT (fill in the name) TO BRING MY HIGHEST POTENTIAL AND DESIRES INTO EVERY DAY MANIFESTATIONS.

When you run that through the spine, most of the time you will get colors like bright burgundy, blue and white which are colors that demand respect.

But keep in mind that we are all different, so the codes coming in with the phrases are different for every body. I would suggest to maybe work with 3 to 5 phrases a day for 5 days , run them through 55 times and then change phrases AND LET GO.

This is really going to put these wishes, dreams, desires into manifestation real quick when you LET GO and do not give it any further thought.

GOLD MEANS: Gold rays, Golden universe, Golden Age, the alchemy coming through and this first Golden Age or what is termed “NEW LIGHT EARTH ATLANTIS”.

The Frontal Lobe region in the brain is the working person's format that connects easily the light and the physical planes until there is no difference and therefore manifestation happens as that is YOUR SEAT OF CREATION AND ORIENTATION WHERE YOU HOLD YOUR FOCUS FOR YOUR BUSINESS PLANS, YOUR DREAMS, YOUR DESIRES, ESPECIALLY YOUR GOALS.

If you are not used to working with light : all you need is your

INTENTION, INTUITION AND IMAGINATION

To set anything while trusting your Source Connection and anchoring that in, BECOMING IT, REMEMBERING IT

EVERY DAY ON A NEW LEVEL!

In the beginning it may be not so easy for you to focus on that but when practise becomes integration, your triangular grid in the capstone will be just an automatic.

As the CREATOR SELF, YOU CAN BUILD AND INVITE ANY GRID ! YOU CAN ASK WHICH GRID IS BEING REQUIRED FOR YOU!

IT IS IN THE QUESTIONING THAT WE RECEIVE ANSWERS

IT IS IN THE INTELLIGENT, DETAILED QUESTIONS THAT WE RECEIVE DETAILED ANSWERS!

SET YOUR INTENTION, INTUITION AND IMAGINATION ON MANIFESTING YOUR DREAMS, WISHES AND DESIRES .

TRUST, ALLOW AND ACCEPT

That is all you need to do in order to let anything come through! Don't let any DOUBT, FEAR, JUDGEMENT AND OTHER MENTAL NEGATIVITY move into this space.

If so, you know what to do: eliminate or subtract the energies with what you have learned until now. The best elimination procedures always come through the black/white and lavender rays and your glandular system.

The pituitary is number one to clear fears and stuck patterns. But do keep in mind that all the glands in the body work together.

There are a lot of examples of how to clear your system out through the 12 episodes which you will find on my website. Or just follow through what is being offered in your meditation.

It means that you will take what is of low frequency and you will transform it and turn it into Golden Light! Even though you may be surrounded by people who are filled with fear and anger and other low frequency emotions and who are making choices based on these emotions, you will make your choices from Love and Compassion and you will be the Diamond of Light that shines clearly and magnificently.

NO MATTER WHAT HAPPENED TO YOU, SEE IT AS IT IS, ACCEPT IT WITHOUT JUDGEMENT AND MOVE ON 100% FOCUS.

One hour of inner action is worth 7 hours of outer action. Inner action is your meditation, your Direct Connect with your Source, where you receive information effortlessly.

Yes it takes discipline. If you come short on discipline, work your way through with the GRANITE RAY AND RED RAY FOR STRENGTH. Define your day in the morning and focus on each hour, then the bigger goals, then the personalised affirmations for your goals. Put symbols in your house that remind you of your goals and the end result.

FEEL IT UNTIL YOU CAN TASTE IT

START YOUR DAY BY TAKING ACTION, NO MATTER HOW SMALL!

Create that attitude of gratitude and start your day with being grateful for all the blessing you receive as an automatic such as your breath, people you encounter, new opportunities even though many times we are blind to see them, your family, your social life.

There is so much to be grateful for, but there is but one principle to achieve what you really want:

**“UNWAVERING
BELIEF IN SELF !”**

ALIGNMENT

Imagine A SINGLE GOLD COIN under your feet and SEVERAL GOLD COINS that you place on places in the world like on a world map where you would like your business to match and create links with. (You may just want to print out a page with the world map on it and place some gold coins on it, even just designing them on that page will do).

Even if you only want a new job that makes good money, or if you should want to only create a small business for something you truly like.

It does not matter as long as you put your intentions on the highest values within because that is the way to attract the highest value surrounding your life, your social interactions and business connections.

“YOU ATTRACT WHAT YOU ARE” even though that is sometimes hard to accept, remember we are not always conscious of what drives us on the inside, therefore, the outer world is a laboratory of observation where you meet up with your self through what people mirror to you.

An example would be that from your INTENTION INTUITION AND IMAGINATION you place a gold coin on

Cape town in Africa, one on Brazil and one on Tahiti because INTUITIVELY these are 3 places in the world where you can make the best of money with your product or your desires/wishes ... your new job or hobby.

If you don't know what the countries are through which you would like to attract people that are interested in your production line, you just sit in meditation, connect to your Source or call forth a guide or Team of Light you feel comfortable with and ask for ideas, intuition, knowledge ... (this comes as learned through the blue/green rays)

Most of the time these are countries we already visited in our life like through an excursion, a holiday, just a visit out of interest. Or it may also be that you would like to attract people from the whole wide world or only the country/town you are living in currently.

REMEMBER, YOU ARE THE CREATOR SETTING YOUR GOALS AND ACTIONS INTO CO-CREATING WITH WHAT IS IN EXISTENCE.

EVERYTHING YOU CAN IMAGINE IS IN EXISTENCE! IT'S A MATTER OF LISTENING AND TRUSTING YOUR ANSWERS !

WRITE DOWN WHAT YOU GET:

The countries, why, missing answers ... so you can pick them up later and GET REALLY CLEAR ABOUT THIS !

When you don't know "WHY" , you will miss out on the manifestation. Meditate and focus on this until you KNOW!

ACTIVATE YOUR IDEAS AND TRUST THEM WITH THE BLUE RAY AS YOUR MIDNIGHT SUN STREAM ON THE OTHER SIDE AND STATE CLEARLY:

I AM CREATING FROM THE OTHER SIDE CRYSTAL CLEAR INSIGHT INTO WHERE I AM HEADING

AM AM INVITING MY SPIRIT GUIDES AND MY TEAM OF LIGHT TO BRING THROUGH THE INFORMATION NEEDED TO MANIFEST MY BUSINESS NOW AND IN WHICH COUNTRY. (This may as well be your home town).

Lined writing area for page 30, consisting of 20 horizontal lines.

Lined writing area for page 31, consisting of 20 horizontal lines.

Then call forth your INTUITIVE GOLDEN BUSINESS TRACKS by breathing them through:
That would feel like a bit of buzzing of golden filaments or lines anchoring through your feet when you sit in meditation but it is fun to do and yet may need some endurance and perseverance to truly anchor them very strongly.

THESE TRACKS WILL CONNECT TO THE MERIDIAN LINES IN YOUR BODY AND THUS OPEN INFORMATION THROUGH YOUR NERVOUS SYSTEM.

Even if you do not feel this and your feet chakras May be blocked a little – just ask your guides to open these meridian lines up, keep on trusting!
Many ideas may open up through this feet connection that will flourish throughout the day as they align to your Business Grid.

Now is the time to really work with your pentagram of pleasure and start manifesting your hopes, your dreams, your desires, your wishes, your talents and open up to the highest of your potential!

You may start this process out by stating the following phrases or mantras through your Golden pentagram :

“MY” DIVINE ESSENCE AND LAVENDER SPARK SELF IN THE HEART OPENED UP TO THE DEEPEST LEVEL OF MY HEARTS’ DESIRES “

And repeat a few times, or all the way during your daily activities.

“MY ALLOWANCE TO EXPERIENCE THE MOST ADVENTUROUS RIDE WITH MY HIGHER LEVELS OF CONSCIOUSNESS TO FIRE MY ENGINE INTO THE UNLIMITED OMNIPOTENT SPACES OF CREATION
(that comes through the Black Universe AND THE BLACK RAY)

“I NOW ASK MY SPIRIT SELF TO ASSIST ME IN THE PROCESS OF MANIFESTING ON THE SPOT”

In order to do this:

CALL FORTH YOUR “SPIRIT SELF CODE”

That may simply come through a number, a waving through the heart, a symbol, anything ...as you sit in meditation.

Pay attention to the colours you get, pay attention to the formation of a symbol that may be part of a certain language such as Hebrew or the Tibet language.
This will depend on what your Essence deeply stands for.

AND LISTEN, LISTEN, LISTEN,
the voice within your heart is very subtle at times ...

It is all a matter of activating the muscles of ideas until you become a computer ship of ideas.

After that, invite your passion to open up through the highest level, that comes through integrating the Red Ray and waving that through with the Silver Ray of pure Success.

Because an idea without passion = nothing.

WHAT IS YOUR TRUE PASSION AND WHY?
WHAT IS LIMITING YOU TO NOT ALLOW THAT PASSION IN?

YOU NEED GUTS TO MAKE IT
and strengthen your instincts, goals, actions, inventions until it becomes a daily commitment.

Keep on learning and working your way through until you get there! Until you start to see little manifestations.

Pay attention to low worth, disbelieve, resistance, faith, fear,
any emotion can stand in the way: release them through some valuable techniques that bring through a final evaporation of old and worn out systems that will never align to what you are willing to invest to become ONE WITH YOUR AUTHENTICITY!

Be clear about what your passion is and integrate it in your heart so that you can feel it any time any where.

INTEGRATION IN THE HEART COMES THROUGH FEELING IT, IMAGINING IT IN YOUR MEDITATION AS IF IT HAD ALREADY MANIFESTED.

WHAT ARE YOU PASSIONATE ABOUT?

Anything “MATERIAL” like a business and what kind of business or a second income stream, or moving your hobby into a business or material things like the latest technology for your computer, housing, car, or a new job in which you make great money.

BE AS CLEAR AND DETAILED AS YOU CAN AND DESCRIBE EACH ITEM TO THE DEEPEST LEVEL YOU CAN WHILE FEELING THEM AS ALREADY MANIFESTED.

TAKE YOUR TIME FOR IT AS YOU CAN ALWAYS COMPLETE THE LIST WHEN NEW IDEAS COME IN .

START OPENING A WISH LIST/MANIFESTATION LIST THAT YOU FILL OUT ON AN EVERY DAY LEVEL FOR 1 week or for 1 month

Anything “EMOTIONAL, MENTAL, SPIRITUAL” such as more intelligence, more ideas, more mutually enjoyable relationships, people that support your growth ...

GET CLEAR AND DETAILED ABOUT ALL THESE ITEMS UNTIL YOU CAN TRULY FEEL THEM.

MY MATERIAL WISHES
START WITH SMALL EASY
MANIFESTATIONS

MY EMOTIONAL WISHES

MY MENTAL WISHES

FOCUS FOR YOUR BUSINESS PLANS, YOUR DREAMS,
YOUR DESIRES,
ESPECIALLY YOUR GOALS.

OPEN UP TO THE GOLDEN UNIVERSE
we are entering as represented through the
GOLDEN ROSE on the Design given.
Breathe through the deep Golden waves as you call them
in.
Open this up through the heart and let it expand for a
few
minutes until you feel that Golden pulse through the
Heart.

A Golden Rose is very powerful to open up your
HEARTS' DESIRES

After that lets bring that tasty ORANGE RAY OF
CREATION (meaning it carries the consciousness of cre-
ating with ease and grace) in your heart centre.

The best way to do this is by calling forth the
SONAR WAVES
and the orange cancer sign around the heart with the
Golden Rose in the heart and ask:

THE SONAR WAVES TO OPEN YOUR HEART T
O MAXIMUM POTENTIALS.

Breathe that through for about 5 minutes until you feel
the cancer sign really moving through with the orange
ray and the gold tones that come from your Golden
rose.

Depending on your meditational expertise: you may feel
that the GOLD ROSE AND ORANGE WAVES EXPAND INTO
YOUR ENERGY FIELD AROUND YOUR BODY AND BRING
YOU INTO A STATE OF SURRENDER TO THE UNIVERSE
AND YOUR SOURCE.

When you are bathing in this powerful engine of Golden
orange waves, there is no end to what you can attract
and create because people and elements will feel these
energies.

OPEN THE EDONIC GATEWAY (Garden of Eden) IN YOUR
SACRAL CENTRE AND CALL FORTH THE WAVING OF THE
CREATOR SELF TO ALIGN WITH YOUR BRAIN
CAPABILITIES FIRST AND YOUR SOURCE.

Whatever you invite in your Space of Focus, the Crystal-
line Grids will always come through as an assisting hand
from your guides.

THE BODY, THE BRAIN AND YOUR CREATIVE SELF NEED
TO GET ON THE SAME TIMELINE,

THAT IS ALIGNMENT TO PERFECTION!
DO NOT ALLOW FAILURE AND SET THAT
INTO YOUR BRAINS:

I AM ALWAYS 100% ALIGNED!
REPEAT AS MUCH AS YOU CAN DURING THE DAY!

When you are really Grid savvy, it is easy to get a code
or symbol or ray formula that represents the Creator
Self.

Just sit in meditation, trust and allow it to filter in.
Patience is the best parameter.... through the Blue Ray.

“THERE IS NO RHYME BEFORE ITS TIME”
ALWAYS KEEP ON READJUSTING YOUR MENTALITY!

Connect TO the Creator Self

(in the frontal lobes),
Your Source Self
(In the pituitary GLAND)
and Spirit Self
(In the heart centre)

Learn to feel how your intentions are being catapulted
on the highways of a deeper meaning.

Make a list of how you would like your life to be :

NEVER LIMIT YOURSELF BECAUSE THE UNIVERSE DOES
NOT KNOW LIMITATION!

Housing, jobs, relationships, holidays, extra job, money
flow,
Success, fitness levels, healthy sustainable diet....
Please detail out as much as you can because details fill
in
completion .Take your time while sitting in meditation
with your Business grid in the capstone, in the frontal
lobe.

IMAGINE YOU HAVE BEEN HOLDING YOUR SELF BACK
FOR AN ENTIRE LIFETIME JUST TO REALISE HOW MANY
CAPABILITIES AND GIFTS YOU TRULY ALL HAVE.

PHASE 4

SET YOUR DAILY ALIGNMENTS IN WITH YOUR SPACE “
””IN THE GRID”””WITH YOUR SOURCE
until you really become them, become accustomed to
communicating with your guides or the elements
or elementals.

ALWAYS CONNECT TO YOUR
TEAM OF LIGHT!

Make a list of who you were during child hood, what you
enjoyed, what you were passionate about, what you dis-
liked, what you
cannot possible talk about.

Remember it is a CONVERSATION between “you” and the
“New You”! There is a lot of value in making that list as
it may
reveal many things that can assist the process of

KNOWING WHAT YOU WANT.

CHILDHOOD PASSION, JOY, MEMORIES

CHILDHOOD STRUGGLE, TRAUMA, DISLIKES

Make a list of who and what you would like to be
 “now “and if you would like to re-integrate things from
 childhood or not :

Physical appearance, character, mentality, your job cap-
 abilities, your connections, your relationships, your
 emotions,
 mental-physical-spiritual power....

This may take you into a very deep space with your Spirit Self
 where you may discover things you really want but never AL-
 LOWED yourself to even think about them.....

DO NOT LET ANYONE DEFINE YOU! EVEN IF IN THE PAST YOU
 WERE OVERRULED BY NEGATIVE THOUGHTS SUCH AS : ‘

I am not good enough, I am too weak, I am not worth it, I don't
 have intelligence, nobody appreciates me,
 I am never supported...

Many of these things come from people such as your parents
 and teachers.

THESE THOUGHTS ARE NOT YOU! Do no longer ALLOW
 ENTRANCE OF SUCH THOUGHTS , INSTEAD ELIMINATE, TRANS-
 FORM THEM IMMEDIATELY UNTIL YOU FEEL
 THE RELIEF AS YOU CAN LEARN THAT THROUGH MEDITATION,
 YOUR SOURCE, YOUR GUIDES.

When you do not believe in your self, nothing will ever work !
 You need to make it a must in order to be able to follow through
 to the
 bottom line of manifestations daily.

From the small things where you determine what you can do, to
 how you are going to do it, into creating that vision, into taking
 unwavering action.

Take your time to fill this out for a whole day as you may always
 want to add and subtract things during your growth process.

Who would you like to be

and look like TO PEOPLE

INTROSPECTION THROUGH MEDITATION IS THE DEEPEST INVESTIGATION TO GO THROUGH TO FIND WHAT YOU WANT AND HOW YOU WANT IT!

BECAUSE THAT IS WHAT WILL MAKE THE BIG DIFFERENCE ALONG YOUR NEW STORY OF EXTREME SUCCESS AND HOW YOU WILL MOTIVATE YOURSELF INTO IT!

If you miss out on motivation, that is only "FEAR": Fearing the new, fearing the study, fearing hard work, fear of failure, fear of being judged, fear of family members getting in the way and judging you, fear of the UN-KNOWN especially.

There is so much fear besides unworthiness, stubbornness, resistances and laziness that keep you from motivating Self on all levels and thus the brain keeps on telling you the same old dumbing down stories:

BREAK THROUGH IT, ALIGN AS LEARNED, ELIMINATE ANY FEAR ALL OF THE TIME AND SET YOUR PARAMETERS ON THE HIGHEST LEVELS OF FOCUS !

Focus on books, mentors, knowledge through meditation and Direct Connect, courses, and LISTEN TO SELF!

LISTEN TO SPIRIT LOGIC versus earth logic that make no sense.

MAKE A LIST OF ALL THE FEAR LEVELS YOU URGENTLY NEED TO ELIMINATE

Make a list of your motivation

HOW WILL YOU TRANSLATE YOUR MOTIVATIONS INTO
“REAL LIFE GOALS”?
WHAT ARE THE GOALS YOU WOULD LIKE TO ACHIEVE
AND THROUGH WHICH
SOURCES/RESOURCES AND FORCES?

BE ASSERTIVE AND CERTAIN !
YOU NEED TO BE INSPIRED BY YOUR SPIRIT.
I would strongly advise to invite your Spirit code and al-
low that to integrate in the body.
Everything you experience is a mirror of
your inner world.

MAKE IT STRONG !

Remember: ask as many detailed and qualified ques-
tions as you can with your Direct Connect to your Source
, guides, teams of light. The best way to get into more
knowledge and resources would be through Green Light
Go.

**TO CREATE A FOUNDATION OF GOALS, YOU NEED THE
KNOWLEDGE AND UNDERSTANDING
OF WHAT CREATES IT,**

**DON'T LEAP, BUILD STEP BY STEP
AND RESET YOUR GOALS EVERY DAY**

IDEAS

How much money would you like to make?
How much time are you willing to invest in self
on an every day level?

What kind of valuable BUSINESS AND FRIENDSHIP
bonds would you like to attract and how?

How would you like your business, new job or any wish
to look like, flourish and grow?

What are your readily available sources? What are the re-
sources you need to apply to keep you motivated in
achieving your goals. How will you gain more
knowledge, faith, perseverance and courage:

This may take quite some focus in meditation and up-
grading this on an every day level. It would be great to
set up all 3 pentagrams on a daily level in your special
space and work on 1 item one day at a time and then
expand on your items while you have a ready to go
questionary and open up to:

ALL COMMUNICATION LEY LINES WITH YOUR TEAM.
That is the way to receive messages and trust these
messages while you also interrogate your SELF.

From one communicative idea rises another and so
forth. It is by expansion and being receptive that one
can open up to NEW PERCEPTIONS

MAKE A LIST OF YOUR IDEAS

PHASE 6

Striving to get fulfilment, joy and a satisfactory lifestyle that is always growing into more and more passion needs:

TO HAVE THE MENTAL BRILLIANCE, THE PHYSICAL CAPACITIES AND FITNESS CIRCULATION IN ORDER TO MANIFEST ON THE HIGHEST LADDER OF FULFILMENT WHICH IS A NEVER ENDING SPIRAL INTO SUCCESS AND LOVING YOUR LIFE.

THE PAST IS YOUR CURRENT PERSPECTIVE, IN ORDER TO CHANGE THAT YOU NEED TO LEAVE THE PAST with what you have learned through the elimination procedures .

You will need to continuously UN-DATE when things pop up AND BECOME YOUR AUTHENTIC STRONG SELF through discipline and perseverance, because past experiences, thoughts, beliefs and consciousness is exactly what gets in the way of manifesting and attracting on the spot.

FINDING THE ROOT OF THE PROBLEM OR ILLNESS
EQUALS FINDING SELF BACK AND PULLING IN YOUR NEW
SUNNY TRACKS.

THE WHEELS AND REALS OF YOUR LIFE.

HOW MUCH TIME AND ENERGY ARE YOU WILLING TO IN-
VEST INTO THE FOCUS, YOUR GRATITUDE,
BEING IN THE MOMENT AND SETTING EVERYTHING BACK
IN ORDER TO BECOME ENERGY EFFICIENT,

How are you going to upgrade your health daily :
what are the products you could easily start to elimin-
ate, what are the products that you should add.

REMEMBER WHEN WORKING WITH LIGHT, IT
HAPPENS YOU AUTOMATICALLY WILL NOT BE ABLE TO
PROCESS CERTAIN FOODS ANY LONGER.

The more you clear and Light bolt old standards, the
easier it gets to open up to new habits in your health
department.

Ask your Source Self to align you to the healthiest pro-
duction line ever, ask what kind of vitamins/minerals
you miss out on and breathe them through with
“the MaGic of Merlin” or the lavender ray termed
MANNA.

Manna is the spiritual alignment through which you can
breathe in your minerals and vitamins.
That is possible when you have integrated the 6th di-
mension and living from that space of Light environ-
ment..

TAKE SOME TIME OUT TO REALLY“ALLOW” YOURSELF TO FEEL
THE NUTRITION THAT YOU NEED

Make a list of what you are willing to eliminate
from your diet.

DO NOT THINK ABOUT THE PROCESS,
PUT YOUR FOCUS ON THE OUTCOME,
ON HOW YOU WOULD LOOK LIKE AND FEEL
AND STOP MAKING PROMISES TO YOURSELF,
SET YOUR VIBRATION INTO THE NOW WITH THE SILVER
RAY AND START EXERCISING NOW.

BECAUSE THAT KEEPS YOU IN THE FLOW
THROUGH THE FLOW YOU WILL GET INSIGHT, DESIGNS,
IDEAS, SUPPORT, IT WILL IMPROVE YOUR SOUND AND
VISIONS.

Think of your body as an organism that needs
RE-ORGANISATION because EARTH IS
RE-ORGANISING into its ascension.

START WORKING OUT : NO EXCUSE, YOU NEED TO
CHANGE YOUR METABOLISM

THINKING about exercising means you will never get to
do it, TAKE ACTION NOW!

CREATE YOUR DETOX FITNESS PROGRAM
HERE TO BUILD THE BODY.
HOW WILL YOU MAXIMISE THE RESULTS?

People need to be wanting to trade with you! That is
how good you should be willing to look like.

WHICH FITNESS PROGRAM SUITS YOU?
HOW WILL YOU MAXIMISE THE RESULTS?

“BECOME A DECISION MAKING GENIUS
YOU NEED PRECISION IN DECISION”

How will you keep your self balanced out on all levels :
mentally, emotionally, physically and spiritually?

How will you schedule your meditational time?
How much time and energy will you give on upgrading
yourself with everything learned ?

Write out a discipline program that you ‘know’
you can follow through.

How will you retrain that which is out of balance
and be critical about self?

EVERYTHING IN THIS UNIVERSE IS ABOUT
RETRAINING AND REPROGRAMMING SELF

The best way to do this is with the integration of your
GRANITE+ white I AM BODY
in meditation and run that through the spine until you
become it.

Granite teaches you Discipline, Focus and Perseverance.
Granite = A COMBINATION OF EARTH TIONES, COPPER
TONES AND GOLD TONES – VERY POWERFUL.

Becoming “PRECISE IN ECONOMICS” comes through the
White ray and your White ray Lake Erie antenna.

Always align to both rays!

SCHEDULE YOUR MEDITATION TIME
IN THE MORNING+ DETAILS
IN THE EVENING + DETAILS

WHAT YOU WOULD LIKE TO EXPERIENCE DURING SLEEP?

PHASE 7

WHAT IS PRICELESS? THAT IS BALANCING YOUR BUSINESS
WITH YOUR PRIVATE LIFE!

That is exclusive return investment because you have love and friendship support and never ending communication necessary to support you and your business. It is the pitfall where many fail because any imbalance or unsatisfactory issues will always play out.

YOUR BODY, YOUR MONEY, YOUR RELATIONSHIPS, YOUR CAREER, YOUR BUSINESS, YOUR JOY, YOUR HAPPINESS NEED TO BE EXTREMELY BALANCED. BE AS PASSIONATE AS YOU MAKE LOVE WITH YOUR PARTNER AND GET THAT SAME PASSION INTO YOUR BUSINESS!

That is truly
a study in itself!

If you are not with the right partner, and you know it, take action to stop any downgrading connection because THESE EMOTIONS get in the way of MANIFESTATION and everybody needs to take care of their own emotions otherwise luggage from the past from both partners create massive failure.

If you have these issues, eliminate them, disengage, be open for a new partner that functions on the same timeline of the NEW YOU!

It is truly about breaking free from any emotional bond, especially where “IDENTIFICATIONS & COPYING” from partners are concerned!

MANY PEOPLE SUCH AS PARTNERS WRITE their density on your authentic self, meaning it keeps you from feeling, thinking and expressing wisely. It is like a hybrid that embedded itself on your DNA that keeps you serving the old paradigms.

Clearing the DNA from former invasions will bring the deepest relief ever. If you are accustomed to working with LIGHT as in CO-CREATION and becoming it on a daily level, then it should not be too difficult to learn that stage.

Jobs need to sustain your health and wealth.
Your family needs to be in complete harmony,
serenity and joy.

Your passion in your business or job needs to fuse with family life and your extra time life.

“In order to live a life that is fulfilled we have to complete the levels that broke us and fuse with the levels that make us flow the same timeline.”

“We are entering the age where copy and identifications are going to break you in order to claim your authentic self.”

The universe is re-organising, so we have to follow suit as our organs need to meet up with the new requirements for health, wealth and business degrees on every level of society.

Many identify with social media antiques , television screens such as television series and silly talk shows that FEED you on former AGREEMENTS set with self from early times or identifying with the brain of somebody you love, or copying words from somebody you love which happens a lot and so on ...

This keeps us from being SELF on all levels or the MANY LEVELS OF HIGHER SELF (Higher simply means that you have decoded the old manipulated self, done the hard work and rising from the fall into the halls of ascension.

Many are tired and exhausted from the HURT of former relationships and refrain from stepping into a new relationship because they FEAR the HURT. But then again we cannot push such a STRONG CHEMICAL BOND away from us for it is LOVE .

Looking at love from a different perspective would help a lot and without expectation would learn the entity that it would always serve and that really CRACKS the heart open, literally, because one can hear it;
which is opening into the higher degrees/fields /vibes and frequencies.

LOVE SOMEBODY FOR WHAT THEY OFFER YOU
and let go of what you want from it.
It teaches strength and elegance which is quite some
LEY line to enter....

What is that SUBSTANCE called LOVE ???
Why does it make all hard hearts gentle?
You love somebody because you MUST love that one, it
teaches you about the only substance worth studying
which is "LOVE".
Because without Self Love in the first place, there is no
way in achieving success in the business or job you
LOVE to do.

If grief is the price you pay for love then there are many
chapters to integrate and understand in the BOOK OF
LOVE.

Keep in mind it is the only psychotherapy you can have
for free, almost like anything for free, IT IS NEVER VAL-
UED OR APPRECIATED .
THINK ABOUT IT!

There is no remedy but to love more. To love more
means you give your body, your brain , your mentality,
your spiritual strength
THE INVESTMENT it requires to become UNWAVERING
STRENGTH, BEAUTY AND SUCCESS
and polish where you fail on an every day level.

That is the only way "CHANGE" can pave a new highway
of fulfilment and joy.

CHOOSE "CHANGE" AND MAKE IT A MUST !

IT TAKES TIME TO SEE THINGS FROM A DIFFERENT PER-
SPECTIVE AND OPENING YOUR DIRECTIONAL SPACE
WITH YOUR SPIRIT SELF.

ALLOW YOUR SELF THAT TIME AND SPACE,
NEVER RUSH INTO ANY THING YOU WOULD LIKE TO
ACHIEVE !

KNOWING THE HEART IS KNOWING ITS
CONSCIOUSNESS FIRST, THEN ITS SUBSTANCE, THEN ITS
PRIME ORIGIN, THEN ITS MULTIPLE ORIGINS, THEN ITS
MECHANISM WITHIN -WITHOUT , THEN ITS LINKS, THEN,
THEN, THEN, ENDLESS !

A BREAK THROUGH ONLY COMES THROUGH
when never giving up on taking 'ACTIONS' until you get
so proficient in it that you continually eliminate what
does not work.

YOU NEED A PARTNER or somebody to team up with,
as you always start to look for the best in people and
add value to their weakness. This way you EMPOWER
people you work with and they empower you: a return
investment !

**"IT'S THE DECISIONS YOU MAKE THAT
MAKE YOU A MASTER"**

"ALWAYS FIND BETTER ANSWERS TO THE PROBLEM"

"SEARCH AND MAXIMISE RESOURCES"

MAKE A LIST : WHAT DO YOU THINK IS BLINDING YOU ?
What kind of relationships do you need to leave behind?

in order to attract empowering
Relationships, WHAT ACTIONS WILL YOU TAKEN and
HOW WOULD THEY FEEL LIKE?

How will you restructure you life in order to have a strong body,
a balanced mind without any mind tricks, a balanced diet, and how will you keep investing on holding your focus on the highest Gold Standard letting nothing or nobody INTERFERE with your peaceful new life.

YOU NEED TO BE STRATEGIC AND LEARN TO INVEST IN SELF EDUCATION DAILY !

ALWAYS THINK ABOUT YOUR PASSION AND STUDY IN THAT AREA IN ORDER TO BETTER UNDERSTAND IT, NO MATTER HOW SMALL IT IS !

THERE IS ALWAYS A LEARNING CURVE IN LIFE LIKE A NEVER ENDING SPIRAL THAT MOTIVATES YOU, KEEPS YOUR IDEAS ROLLING AND THUS CREATES MORE PASSION!

**MARKETING STARTS IN YOUR OWN BRAIN,
YOUR COMPUTER SHIP,
THE CAPSTONE OF ALL CREATIONS !**

**“MAKE SURE WHAT YOU WANT TO DO IS WHAT YOU WANT TO DO AND NOT BECAUSE OF SUCCESS AND MONEY, BUT BECAUSE ITS YOUR PASSION,
YOUR ELECTRIC OUTPUT.”**

IF YOU ARE UNSURE, THAT IS NOT GOING TO WORK BECAUSE YOUR MAXIMUM POTENTIAL DOES NOT COME WITH UNCERTAINTY, INSTEAD IT KILLS YOUR VIBRATION AND THUS YOUR NATURAL WAY OF ATTRACTING SUCCESS, PROSPERITY AND ABUNDANCE IN YOUR LIFE.

**ELIMINATE INSECURITIES WITH THE LAVENDER/
BLACK RAYS AND LOAD FAITH WITH THE BLUE RAY**

WHAT ARE YOUR STRATEGIES ?

DESCRIBE THE FIRST STEPS OF HOW YOU UNDERSTAND THE LANGUAGE OF MONEY AND HOW YOU WOULD LIKE TO GET THERE.

From point A to point B.

Light is moving into all business because of the grids that talk and communicate loud and do not accept any opportunistic input any longer.

It is also reason why many business are falling and reason why other business need an upgrade or educational level into light in order to attract new clientele and to flourish on the spiritual scales of extreme wealth.

TO MANIFEST THE NEW THE OLD NEEDS TO FALL
YOU NEED TO GAIN TRUST AND GET FANS
YOU NEED TO ACT ON OPPORTUNITIES
YOU NEED TO FOLLOW THROUGH
YOU NEED TO FILL IN YOUR GAPS,
KNOW WHAT THEY ARE

YOU NEED TO KNOW HOW TO TARGET,
YOUR CLIENTELE, AND YOU NEED TO
KNOW WHO THEY ARE.

WHAT IS YOUR STRATEGIC GOLDEN PLAN?
TAKE YOURSELF INTO A DEEP MEDITATIONAL SPACE
AND INVITE YOUR LIGHT BUSINESS TEAM TO ASSIST YOU
IN SETTING THAT PLAN AND POLISHING IT WHEN THESE
THINGS CLEAR UP EVERY DAY.

A Strategy needs to come into fruition through your
wishes and desires. It unfold through meditation, con-
nections, study,
alignments, questionnaires, research and good mental
health.

Elaborate a strategic plan

Create a marketing plan

which business platforms

Will you be working from

What would YOU LIKE TO DO IF MONEY were NO OBJECT,
This is a very tricky question as
your answers may associate with your current situation.

WHAT IS YOUR HIGHEST LEVEL "PURPOSE" FOR CLAIMING YOUR POWER AND MANIFESTING YOUR DREAMS, DESIRES AND WISHES ON THE HIGHEST LEVEL OF INTEGRITY, VALUE, VARIABLES AND NEW ETHICS

THIS WILL CREATE THE HIGHEST LEVEL OF CHANGE !

For if your purpose is to only make good money, that will never create a fulfilled life. A purpose comes from deep within, something you always knew.

IT IS YOUR SPECIALTY, YOUR UNIQUENESS, it is something you excel at and which nobody can perform as well as you can.

BECOME YOUR OWN INTERNAL INVESTIGATOR AND FIND YOUR TRUTH BEYOND YOUR PASSION, THAT IS VIBRATING ON THE HIGHEST SCALES OF MANIFESTATION AND ACKNOWLEDGING SELF AS THE CREATOR SELF WITH EXTREME GIFTS AND TALENTS

What is your PURPOSE FOR MANIFESTING, CREATING AND INVENTING?

WHAT KIND OF SOURCES/FORCES/RESOURCES WOULD YOU APPLY TO KEEP YOUR DRIVE FLOWING AND TO FULFIL YOUR PURPOSE?

What is your UNIQUE POTENTIAL?

WHAT ARE THE GOLDEN OPPORTUNITIES
YOU MAY TRY OUT AND COMMIT TO?

Phase 8

**BE VERY CLEAR AND SPECIFIC ABOUT YOUR INTEN-
TIONS BECAUSE THE UNIVERSE LOVES DETAIL; AND
GO BACK TO YOUR LIST OF WHAT YOU WOULD LIKE**

TO

**MANIFEST IN ORDER TO FEEL HAPPY,
FULFILLED, SATISFIED, AND ATTRACT ABUNDANCE,
prosperity and success.**

**SET YOUR DAILY ALIGNMENTS IN YOUR SPACE WITH
YOUR SOURCE AND YOUR 3 PENTAGRAMS**

Until you really become them and can easily change your grids
in the Capstone become accustomed to communicating with
your guides, your Team of Light, the elements and
elementals.Hold your FOCUS in the frontal lobe region
of the brain.

HOW WILL YOU RELATE TO YOUR CUSTOMERS ?

How will you communicate with them ?

**WE ARE ENTERING THE AGE OF COMMUNICATION AND GATHER-
INGS ! MASTERING THE WAY YOU SPEAK,**

YOUR TONE, YOUR EXPRESSION IS 100% IMPORTANT!

YOU NEED PROXIMITY, EYE CONTACT, PHYSICAL CONTACT,

YOU NEED TO BUILD TRUST.

**HOW WILL YOU ESTABLISH THAT SO THAT PEOPLE COME CLOSER
TO YOU INSTEAD OF STEPPING BACK ?**

YOU NEED TO GIVE PEOPLE SOME SPACE TO THINK ABOUT WHAT YOU HAVE TO OFFER.

HOW WILL YOU KNOW HOW TO TOUCH PEOPLE LIKE IN SHAKING HANDS :

IT COMES THROUGH EXPERIENCE, THROUGH knowledge (green ray) your heart and your intuition.

DON'T ALLOW PEOPLE TO GET TONGUE-TIED!

WHY DID YOU FAIL IN THE PAST:

ECONOMY, TECHNOLOGY, NO CONFIDENCE, NO CONTACT, NO TIME, MONEY ISSUES.?

THESE ARE NOT THE PROBLEM,
IT IS ALL IN THE LACK OF RESOURCES !

Your integrity, your passion, your creativity, your heart-beat and polished character/mentality are the deepest resources you can have.

You must be the leader of your psychology!
That is the missing link to any manifestation.

You need to continuously grow and change your life conditions into an area where it makes you feel happy at all times, with your relationships, with your children, with your friends, with your business.

No matter what you do, you need to do it with passion and find that passion in order to be able to expand within your area of expertise.

Even if your work field is in the low wages, there are always opportunities to come up with ideas that leads you up the ladder of expansion, more growth, more money.

Because when you can come up with a supper idea that benefits the whole company or business entrepreneur you are working for currently, then you need to get paid as a co-manager for your ideas. This is merely an example. Truth is, it can happen anywhere at any time when being persistent enough and pulling the right respectful attitude forward.

Otherwise you need to leave your current job, and find the best job that answers your requirements.

THAT IS EASY WHEN WORKING THROUGH AND WITH THE CRYSTALLINE GRIDS BECAUSE THEY DO THE COMMUNICATION and people will get attracted to you because of the grids!

You need to continuously shift where you limit your Self: in your space with your Source and required grids.

Learn to take care of your issues immediately, do not allow excuses!

Even a 5 minutes meditation can do wonders when working with the grids. You can even ask the grids to continuously inundate the lower senses, the suffering, any dual consciousness.

Remember never blame your boss, your family, friends or any other entity for you always manifest what you are.

Changing energy takes as much time as getting to learn about energy and many techniques that are readily available when you allow your inner Psyche to connect with your Source and trust the answers to your questions!

HOW WILL YOU MASTER YOUR
CONNECTION AND COMMUNICATION
WITH YOUR CUSTOMERS ?

NOW YOU CAN START RUNNING YOUR WISH LIST
THROUGH THE GOLDEN PENTAGRAM
REMEMBER: EACH SENTENCE STARTS WITH
“MY” OR WITH “I AM”

STATE CLEARLY IN WHICH AMOUNT OF TIME YOU WANT
THEM TO MANIFEST:

3 months? 6 months? Or 12 months ?

The best way however is to always surrender and state :

“I AM ASKING ALL OF THIS LIST TO MANIFEST AS
DIVINELY TIMED, SPACED AND REQUIRED.”

BE REALISTIC because you need to be able to achieve
your goals on a physical, mental and spiritual level.
Make the right connections, and create a
STRATEGIC PLAN !

Maybe start with 5 easy manifestations you can achieve
immediately or in 3 months time.

But keep on setting the goals for 5 other manifestations
that may take 6 months to manifest.

Then set the goals for 5 other wishes that may take
you 12 months to achieve.

THEN PUT YOUR WISH LIST into a WOODEN BOX OR PROSPERITY
BOX and each time you set up your meditational space with the
black and white pentagrams + the Golden pentagram, your Or-
ange Sonar Waves bathing in Gold tones/rose and your white/
golden economic Ley Lines, let that also swirl through your
prosperity box.

TO FINISH THIS OFF YOU MAY INVITE ALL 12 RAYS OF
CREATION AND FUSE THEM ONE AT A TIME WITH YOUR
ENERGY FIELDS AND YOUR PROSPERITY BOX.

A good way to get to know all first 12 rays of creation is
by experiencing them and asking them about their con-
sciousness as each ray represents 12 types of con-
sciousness that can override old negative thought
patterns.

THE AQUAMARINE JET STREAMS THAT GATHER ALL THE
12 RAYS OR UNIVERSAL CONSCIOUSNESS WILL ALWAYS
ALLOW FOR A WELCOME RELIEVE FROM ANY STUCK
PATTERN.

This prosperity box can be a wooden box in which you
place crystals, other elements, your wish list, anything
of value to you, things you really adore.

For this you will need a box made out of oak (which is a
very powerful element) or bamboo or any other type of
wood you would like to align to.

Then decorate this prosperity box with the elements
you like.

Wonderfull crystals are the amethyst from Brazil for in-
stant manifestation, the Arkansas crystal connected to
the white economic ray, the red ruby from Burma for
prosperity, the Lepidolite connected to silver success,
the flint stone from Hopewell/Ohio assists
the streaming of Business.

You may add anything you really love and that is really
part of you.

A GOOD WAY TO END YOUR WISH LIST :

“I ask for all of this or something far better I cannot possibly think of to manifest with ease and grace into my life right NOW or as DIVINELY TIMED in gratitude”
+ put your name and energy signature on that list.

BE CLEAR ABOUT WHAT YOU SEEK AND ALLOW THE CRYSTALLINE GRIDS TO SHOW YOU MAGICAL MANIFESTATIONS THAT CAN FURTHER YOUR INTENT INSTEAD OF STAGNATING INTO IT;

BE AWARE THAT THE UNIVERSE CAN WORK WITH ANY-THING TO SET UP MANY GOLDEN OPPORTUNITIES AS LONG AS YOU GIVE SPIRIT THE ALLOWANCE TO INTERVENE ON YOUR BEHALF.

AND YES THIS WORKS FAST,
SOMETIMES IN A FEW MINUTES TIME !

BE GRATEFUL IN A WAY THAT EVERYTHING IS ACHIEVED AND FEEL THAT THROUGH, SPEND AS MUCH TIME IN YOUR HEART AS YOU CAN AND BE PERSISTENT IN GETTING WHAT YOU WANT,
NEVER GIVE UP, AND PLACE YOUR INTENTION EVERY DAY !

YOU NEED TO CREATE EVERYTHING IN YOUR HEAD AND HEART.
YOU NEED TO CRAVE SUCCESS ABUNDANCE AND PROSPERITY.

IT'S THE PRACTISE AND THE REPROGRAMMING THAT CREATES NEW PATTERNS

GET THE OLD WIRES OF FEAR, STRESS AND ANGER OUT BECAUSE THAT CUTS OF MANIFESTATION!

BEING GRATEFUL AND STRESSFUL DO NOT FLOW TOGETHER!

GET EXTREMELY STRONG IN MOTIVATION: THAT IS WERE YOU START OUT!

GET OUT OF THE ADDICTION OF PROBLEMS

GET OUT OF UNWORTHINESS AND ELIMINATE THAT DAILY

IF YOU FEEL WORTHLESS, FEEL LIKE YOU ARE NEVER ENOUGH:
YOU WILL FAIL, TURN THAT AROUND AND FEEL STRONG TO FINALLY BREAK THROUGH.
“I AM ENOUGH”
YOU WILL KNOW WHAT TO DO!

PROGRESS IS DAILY WORK ON THE TABLES OF NEW CREATIONS
PROGRESS MAKES YOU FEEL EXCITED.

YOU ATTRACT EQUAL TO YOUR RITUALS!

ASK QUESTIONS FROM A SPACE OF CERTAINTY
SUCH AS YOUR MEDITATION AND TRUST
THE ANSWERS.

KEEP ON GETTING ANSWERS UNTIL SATISFIED
AND THEN START WORKING WITH THESE ANSWERS This
is sometimes the hardest chapter because we need to
create the new FABRICS FOR A NEW PLAN.

But as always, with spirit in the body, there is nothing
you cannot achieve: the best gemstone to wear for this
is the AMETRINE.

QUALITY AND QUANTITY NEED TO MATCH
OTHERWISE YOU BURN AND STRESS YOURSELF OUT.
BE AWARE OF THAT!

EVERYTHING COMES DOWN TO THE LEVEL OF
RESPECT WITHIN, respect for the universe, respect for
your clientele, respect for co-creation, respect for
opportunities ...

THE BUSINESS OF SPIRIT IS THE CHANGE THAT IS MANI-
FESTING NOW ON EARTH AS EVERYTHING YOU HAVE
LEARNED HERE IS ABOUT THE CONSCIOUSNESS WITHIN
LIGHT THAT HAS BEEN FORGOTTEN
FOR A LONG TIME.

IT IS EXACTLY THAT CONSCIOUSNESS THAT IS EMBED-
DED WORLDWIDE NOW WITH SOURCE AND SPRIT BACK
IN THE CRYSTALLINE GRIDS THAT IS CAUSING THE
CHANGES WE EXPERIENCE.

WHAT IS HAPPENING IS THAT LIGHT
CONSCIOUSNESS IS OVERRIDING THE DUAL MEANS IN
ECONOMICS SO THAT PEOPLE CAN BE RELEASED FROM
FALSENESS AND MANIPULATION.

It is also reason why why so many business are col-
lapsing, and that is not only due to the crisis, it is due to
TRUTH coming into the world that was held captive
for many eons.

This is also reason why MASSIVE NEW JOBS NEED TO
OPEN UP WITH NEW ENTREPRENEURS such as your self!

Because the earth is done with the old products that
create disease after disease.

So here you have massive GOLDEN OPPORTUNITIES
THAT WILL OPEN UP FOR YOU.
ALL YOU NEED TO DO IS TO ALIGN IN YOUR
REQUIRED SPACE WITH YOUR SOURCE,
INVITE THE UPGRADES AND LISTEN.

YOU WILL NOTICE THAT WITH EVERY NEW LEVEL
OF FITNESS ACHIEVED, YOU WILL OPEN NEW
MENTAL CAPABILITIES, INTUITION OPENS
FURTHER AS YOU EDUCATE YOURSELF .

MASTER SELF ON EVERY DEGREE!

Remember who you truly are, to remember your capabilities, your gifts, your talents, your assignments!

**AND ASK THE RIGHT QUESTIONS
TO ONCE AGAIN BELIEVE IN SELF AND TO NEVER EVER
WAVER AGAIN.**

**YOU HAVE ALL THE VIRTUES AND ATTRIBUTES YOU NEED
WITH THIS COURSE TO LEAVE YOUR EGO MENTALITY
AND FAILURE BEHIND!**

**BE IN A STATE OF INSTANT ACTION AND
BE PREPARED.
“GET OBSESSED TO CHANGE”**

**CHANGE COMES FROM INTEGRATING NEW IDEALS
AND CONTINUALLY REWRITING THE BRAIN THROUGH YOUR
MOST POWERFUL “I AM” MANTRAS THAT OVERRIDE ANY DENSITY
WHENEVER YOU BRAIN IS BALANCING OUT FROM THE OLD MEN-
TAL NOTES INTO THE NEW YOU.**

A few examples

“I Am 100% confident that everything manifests in Divine Time”
“I Am respected, admired and appreciated by my whole team,
family members and intimate relationship”
“I Am continually manifesting new goals and desires”
“I Am 100% at peace and in balance at all times”
“I Am living my dream without fail”
“I Am non stop opening new actions to achieve better goals”
“I Am trusting my assistance and support from the other side”
“I Am solid as a rock, nothing or nobody can influence my new
life style”
“I Am ready to accept and allow the million dollar flow into my
bank account”

**REWRITE YOUR BLUE PRINT,
YOUR UNIQUE STORY
EVERY DAY,
UNTIL SATISFIED WITH YOUR CREATIVE OUTPUT
ON ALL LEVELS OF YOUR LIFE**

**AND LET THE STARS
FALL FOR YOU !**

Good luck !

You can do it !
