HOW TO TRANSFER THROUGH WISE OR BANK ACCOUNT:

The most common Bank transfers cost up to 36 dollars which can be avoided for people outside of Europe! while online bank transfers through

“WISE” is almost for free. (They charge Around 3,99 for any amount)/

Wise is excellent and the most commonly used worldwide with hardly any fee NONE DEPENDANT on the amount which is great. Customers will get an immediate email confirmation of payment and is almost faster than any transfer.

CLICK ON THE LINK BELOW AND FIND OUT HOW IT WORKS: It is very simple and free. Creating an account with your email address, transfer money from your bank directly to WISE and to anyone worldwide. Once the account has been set, it takes seconds to transfer any amount to any account.
