The Shambhalla Bodies Level up on the Elestial Bodies and are needed to integrate the Elestial Bodies from Level 1/Vibe & Rose Series because they are an integrative study with the I AM PRESENCE RAYS in which most are getting the larger understanding of what it takes to integrate LITE/LIGHT in an Earth embodiment returning Home. Shambhalla is the nucleus of your Home. As the LIGHT REALMS have been grounded into the Earth we can flow the Elestial Bodies (Vibe & Rise series Level 1) synchronise with the Shambhalla bodies as that is the way they will integrate in the body which allows for A NEVER ENDING SPIRAL INTO YOUR ETERNAL VIBRATION with a Flow of a multi-framed brain. The Shambhalla Bodies uphold MUTATING INTO LITE/LIGHT BODY, and will enable the Self to RECOGNISE what moves you forward and what doesn't. Every Alignment and Light body training served to come to this point in Evolution where it is VITAL TO INTEGRATE, UNDERSTAND AND BECOME A CO-PARTNER WITH LIVING LITE/LIGHT DEGREES.

A Shambhalla Body IS the modern day Body that entities move into after they have accelerated their Elestial Body through the AXIS shift. It is part of moving on from old aspects. Nobody is who they were years ago; for they have evolved and the same could be stated from the bodies that lived previous to this incarnation in a variety of ways. There were a lot of energies in Creation previous to where we are at in Evolution. The Universe is at a Critical Time, restoring its structure/body back in with Divinity, or Divine Will.

The movement or electronic slide between the Elestial & the Shambhalla bodies offers a great transition when it comes to spacing New Mentality and reclaiming your Space back in the House of Light/Shambhalla as an important nucleic point within the Milky Way and rising with Light/Lite Teams that offer the greater support as you become a Co-Creator with everything Living Lite in existence.

It will offer any student great study, integrative alignments and thus a better understanding of your Space within the body of "ONE" or the Unified Fields in which the gathering will take place.

Each month you will receive:

1. The Alignments into one Shambhalla Body, A Crystalline Grid set up with Elements that are connected: that could be crystals, oceans, rivers, air components and uplifting Lungs into Lite Living, specific herbs, elixirs but especially how it integrates within your place, house or flat or boat! THE GOAL IS TO BECOME THEM and thus integration proves your moves on the planet.

Every Alignment into the Shambhalla body connected to a particular ray, will open your vibration into the Bridge of Light and into the beyond, or even the next Omni Body of our Origin and teaches how to truly overcome anything living in the Old Worlds as you open up into the LIVING LITE/LIGHT WORLDS MATCHING UNIVERSAL/ELESTIAL/SHAMBHALLA AND ETERNAL ETHEREAL VIBRATION THROUGH THE MERIDIAN ALIGNMENTS MATCHING THE now axis SHIFT WITH ALL DIVINE TEAM MEMBERS.

They are all very potent, instructive and transmutational as you will learn how to set your daily meditation, how to EXTEND your morning and evening ROUTINE into a 24/7 CONVERTOR OF ENERGIES and being in your I AM PRESENCE STATE MOVING INTO THE HOUSE OF LIGHT, SHAMBHALLA which is quite a feat.

Each month you will receive a document with instructions and the link to 1 VIDEO with the Alignments and Healing instructions that are crystal clear. THIS COULD BE FROM 1 HOUR to 2 hours of transitions. (MENTIONED AT EACH SHAMBHALLA BODY BELOW) You will have a Life Time Access during the integration process while you are being requested to meditate with your notes, and

notes given through the included document in order to have an overview of 1 year integrative processes.

These 12 Bodies of the Vibe and Rise series Level 2 follow up the 12 I Am Presence Elestial/Universal bodies or Level 1 of the Vibe & Rise Series

The Gold Body will set you in a space in which NO FRACTURE can ever enter again, and thus a huge level of balance will come through as well as a higher understanding of how Lite Body settles in AS A MASTER.

A new Black Monitor will be set in as well as parts of the Divination Deck aligning to the 4 Corners of the Merkivah which has an uplifting effect when it comes to manifestation and thus the Shmbhalla Trinitized movement can open up in the Crystalline grids to upgrade the Blak Ray Air component into everything which is a must to complete the I AM THAT I AM before the end of 2024 hits so we all rise into the ETERNAL/IMMORTAL LIGHT PLANES within the Team Axis shift: THE POINT OF NO RETURN!

THE SHAMBHALLA ELECTRONIC RED BODY

The Red Ray Shambhalla Body anchors in rather unusual alignments as it resurrects with the entire I Am Presence flowing with the THUNDERBAY River, the name speaks for itself. It will create a huge flow into the Root centre but also brings through the entire alignments from the Elestial into the Celestial/Shambhalla body into the Universal Red Dragon vibration.

With it comes the opening to One New Major grids that opens everything back into Oneness along THE ETHERIC EXTENTION CORDS that are all interlinked with the Red Ray Shambhalla Body brining through the first layer into 7th HEAVEN which has 7 Etheric layers. The integrative process is going to be fun, as that is what the red ray Leader represents in the New grounded resurrection of the Crystalline grids

5. GREEN SHAMBHALLA

THE SHAMBHALLA ELECTRONIC GREEN BODY

The Green Electronic body is a fast mover as it will bring through the correct definition of the GREEN BRIDGE, most people would think of as a curve or an Arc of Energy. Merging the Elestial/Shambhalla Green embodiment requires actually the Green Flat Plank to open up the Emerald doors that redesign personnel information connected not only to Knowledge but the merger with Intelligent movement that is hip hopping through the Lite Realms and recreates with the Individual temple of Light. With it comes a new personal Grid that is your ESTATE and very important for the incoming years. The Grid Leveler also allows the individual to receive personal data on higher frequencies which is being expected when rising into this new Aquarian Age in which everything becomes Green Lite Go, and Red Lite Stop!

6. ORANGE SHAMBHALLA

THE SHAMBHALLA ELECTRONIC ORANGE BODY

The Orange Shambhalla Body truly removes the static laden Cloak that is the emotional fields; and gently raises the energy with lite senses. We open up the Energy Force that is termed the SPARKLER when opening the Garden of Eden byond the emotional Fields and willbe felt with the Individual Template as wel through the feet centre. Opening the Light/Lite Gardens from within requires a certain VIBRATION beyond the mundane static and that is what the Elestial bodies or the Vibe & Rise series I have been preparing the body for. This is a Complete Breakaway Moment from the HEAVY EMOTIONAL BODY and allows oneself to release. Learning to partner and work with self in all of these new techniques is also important, because that is Mastery. When one opens into both the Green and Orange Rays; they accept that is means moving in with UPDATES and LEVELING UP to match with one's Elestial Self. Action and Manifestation comes from the focus on the here/now and where one is AT in their immediate space. The Orange Shambhalla Body is a Master with Focus on the small daily details that can set up monumental upgrades. This body eliminates survival and fear issues.

7. PINK SHAMBHALLA

THE SHAMBHALLA ELECTRONIC PINK BODY

THE PINK RAY SHAMBHALLA BODY IS A LITTLE BIT DIFFERENT THEN THE OTHER BODIES AS IT WILL MOVE WITH THE RECONNECTIVITY OF 2 DESSERTS THAT ARE SEEN AS 2 OF THE SACRED GARDENS OPENING UP WITH THE BLACK RAY OMNI PRESENT UNIVERSE.

THE PINK RAY BRINGS THROUGH 'MOVING CONCEPTS AND STARTS PULSING WITH THE SOLIDIFICATION OF THE MASTER SOURCE STONE.

The Pink Ray Body of Beauty also enters with Elestial Decibels sounding in ; which are precise hearing technologies between Lite Self and Ground Lite Self.

Lite Decibels also enter with uplifting into Lite Senses. There is an artsy side with the Pink Unilateral Ray in Shambhalla. The Pink Ray Shambhalla Body removes the good vs the evil sense; and instead implements its grounding within Shambhalla; and that draws Divine Beings to it without having to become entangled with lower worldly behavior/collapse. The Pink Ray initiates and implements what is highest and best in what needs to done on ground. It is desired that the Pink Ray Shambhalla Grounding initiates lazy beings to move forward with providing lite ley lines and Create with them. One will feel truly relaxed and will perceive a sense of lightening up.

It is the path to direct Light Consciousness connected to the body of Beauty

8. YELLOW SHAMBHALLA

THE SHAMBHALLA ELECTRONIC YELLOW BODY

Yellow Ray SURGE of NRG is an astronomical propellant bringing through deeper alignments with the Earth.

The Yellow Shambhalla Body has a solid insert embedded in ones' Solar Center as the Great Central Star in relationship to its position in the Omni Body.

The Yellow Ray Shambhalla Body enters with specific personal data that we can receive. The Yellow Ray reveals the "STUCK" or it rides with the FLOWING LITE SYSTEMS, it actually recognises what needs to. Those who EMBODY the YELLOW RAY SHAMBHALLA BODY AND THEIR GREAT CENTRAL STAR/SUN SEED will be LOCATED in a nucleus type of position on ground where they set high level Lite/Light Grids. The earth and lite earth MERGE with the Yellow Ray Shambhalla Body in the light planes for complete movement, for this reason one would be feeling the Master Source Stone Surrounding the Body Lock In. As the Shambhalla Body with the Yellow Great Central Ray touches the ground floor it sends the messaging of Inner Strength and Capabilities.

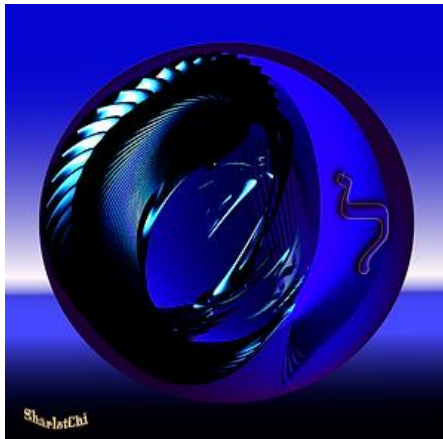

The Yellow Ray Shambhalla Body digs DEEP into the personal psyche and glandular rebalancing procedures. The Elestial Energy will move into a Space where the Day and Night both have the same Balanced Frequency which is very important.

Let's say : IT PUMPS UP THE VOLUME! And dance with it.

9. BLUE SHAMBHALLA

THE SHAMBHALLA ELECTRONIC BLEU BODY

BLUE SHAMBHALLA IS THE BEST LIFTER OUT OF OLD CONSCIOUSNESS, IT PARTS THE WATERS AS YOU STEP INTO THE ELESTIAL PLANE WITH AZURITE/EILAT GRIDS: THESE GRIDS EXPOSE THE SHIFTING YOU ARE WALKING INTO LIKE WALKING ON WATER. NOTHING STATIC LADEN CAN PENETRATE THR WITH THE DIVINE LINE FOR IT DOES NOT ALLOW THIS WITH THE TI GRID AND AZURITE, THE ELECTRONICS BECOMES A BODY & BRAIN BUILDING RAY THROUGH THE MERKIVAH AND GRID SYSTEM. YOU ELEVATE CS MINUS IMBALANCES.

The black ray is the master Gland/pituitary: you get front view of self, your mastery & strengt. The Blue Flame + Black Flame ALIGN: then the spark integrates deeper and you raise vibe into light Intelligence, thus more of the Merkivah can integrate and expansive energies. THE FIGURE 8 IN THE BLACK RAY ELECTRONIC RAMPS UP THE ENERGIES: The breathing between the lungs and the heart becomes refined, it matches where you are at, it refines as if you are in a light elevation and the Blue Flame activating the LIVING LITE ENERGY. THE BLACK RAY PULMUNARY ARTERY - THE BREATHING IN LUNGS, SINUSSES AND HEART BECOMES REFINED AS IF YOU ARE IN A HIGH ELEVATION.

10. IOLITE SHAMBHALLA

THE SHAMBHALLA ELECTRONIC IOLITE BODY

The individual will train with the Iolite Side of Self in the quest for Personal Mastery and advancing that status while lightening up. The Iolite Ray has 3 avenues assisting modern lite housing tracks: They are personal inventory in lite housing tracks NOW; Levelling Up; and answering for lite self.

The Shambhalla Body IOLITE RAY is the connector link between the ground form I AM SELF; and the OMNI I AM completion. By the time someone anchors the Shambhalla Iolite Electronic Body with their Elestial Iolite Self; they have secured a level of lite responsibility and maturity so that it can connect light resources and aligned grid patterns. There is a very LARGE parting of dimensions taking place at this time; as Plane 5 moves away from Plane 4 and settle up into harmonious waves.

The Iolite Ray IS the KEY component to blending the Spiritual Body+ blending GRAPEVINE+ PERSONAL MERIDIANS + OPEN UP DEVINE DESIGNS + ALLOW LITE TECHNOLOGY. The Iolite Ray teaches Light Codes through the power center that is the Throat.

With these alignments, you will talk less, yet take more action oriented decisions which is ver powerful.

The iolite Brain Shifts basically happen through the activation of Telepathic waves.

11. GRANITE SHAMBHALLA

THE SHAMBHALLA ELECTRONIC GRANITE BODY

The KEY to the Shambhalla Level Granite Ray is within one's ability and capability to MOVE ENERGY/NRG. As the Bridge with one's Elestial and Modern-Day Lite Selves closes any gap between self and the Divine, in tandem with all leagues of Divine Level Light/Lite. The Granite Ray moves out of OLD SPIRITUAL WATERS/WAVES. The Shambhalla Granite Ray Electronic Body is completely removed from lower world Emotion; and can Observe everything from lite. The Stellar System is both the Grapevine Grid/All There IS; as well as the OMNI Body in the system you are currently in. The Granite Ray blows through anything that focuses on ONE BEING; and instead brings the sum of all its lite parts together in the WHOLE WITH TEAM DIVINE. The Frequency between the I AM Elestial Presence and the Shambhalla Modern Celestial Form is ONE OF A KIND. = THE STELLAR TRANSITION, COMMAND PANORAMIC VIEW & NEW PERSPECTIVE LINES. It allows the lite side of senses to fill in with lite parts activating in the body. The Shambhalla Granite Ray Electronic Body focuses on BEING completely DETACHED FROM STATIC, the work orders entering with the individual completes their space in the nucleus of their specific grids; beyond the grasp/scope of density. This will help build a true "wall of light" surrounding the energy field.

THE SHAMBHALLA ELECTRONIC LAVENDER BODY

The Elestial Conversion opens Elestial LL Productivity shifting the I AM PRESENCE NRG WITH THE PULSE OF ELESTIAL LITE FROM INSIDE OUT. THE MOVEMENT FROM SOURCE SELF TO THE GROUNDED SELF: YOU FLOW IN NOW TIMED TONES AND INFO: IT WILL SET YOU IN EVOLUTION TRACKS BECAUSE IT IS A STRUCTURE that will be working with Sacred Geometry. The LAVENDER SKILLS open u p: YOU ARE IN DIVINE ALIGNMENT AT ALL TIMES, IT'S THE I AM
