EVERYBODY DOING THE ENTIRE VIBE & RISE SERIES will be given 3 Free consultations with Sharlotchi through Zoom or Whatsapp.

The Yearly Alignments of the Vibe and Rise series are all about continuously moving the Mind and Body through a 30-day shift. Every month the Light Regions or Cities of living LIGHT/LITE bring through new frequencies into the Body to convert the Biology of the old astral Body or Soul into Waves of Light where the heart, lungs, muscles, blood and nerves release the manipulated soul level, the DNA being transmuted from lifeless cells that cause aging to LIVING LIGHT/LITE Particles that merge your frequency and vibration as all consists of electronic energy that gradually restores the connection into the Living Light/LITE Worlds or our origins.

There are a lot of people now want to flow and move forward and are therefore also open to BRIDGING THE LIGHT BRIDGE INTO THE LIVING LIGHT WORLDS. ANYONE WHO KEEPS MUDGING ON IN THE SOUL WILL SOONER OR LATER FEEL STUCK ON A LARGER LEVEL BECAUSE THERE IS SIMPLY NOTHING TO LIVE FOR, THE SOUL = THE MATRIX! and all its duality. We are flowing into the new threefold (no longer dual) Global Light Network that opens up that tremendous creative potential in the brain, and invites the glandular system to transition into LIGHT BIOLOGY VERSUS THE MANIPULATED BIOLOGY OF THE MATRIX. Many feel this is becoming a must to raise your vibe on a daily basis where the soul/ego ear is released once and for all. Eventually you heal yourself daily and bring this whole miserable current to an end.

Everything you will ever need to make The Quick Transition and keep on upgrading into a huge Space of internal fulfillment, prosperity, Joy , purpose and so much more is being offered within these Vibe & Rise Series.
