THE RETURN AND CONNECTIVITY TO YOUR LIFE FORCE also termed "CHI" IS THE ESSENTIAL ORIGINAL LIONS' GATE opener that changes your Energy and Life. THIS IS ONE OF THE MOST POWERFUL ALIGNMENTS one can integrate as it sets the Individual back into Mastering the Flow of Living in Lite. Most people on the planet lost the Origin of the LIFE FORCE from within for the planet lost its Life Force as all the Elements in Nature have been killed and can

no longer sustain Life THROUGH THE MATRIX. To change that, they offer this huge opportunity to reconnect to your "CHI" energies that allows for the BREATH to breathe purity versus density and thus defeat any disease, mental/emotional turmoil. CHI IS NOT JUST A HIGH LEVEL ORIGINAL ENERGY: IT IS A COMMAND STATION through which you can allow and command energies to leave or integrate in the Body and reason why it has been set in High Altitude areas, not too much populated for its needs that clean air.. Every time a person accepts SOUL chemistry, they bring in more static. The Lions' gate alignment is huge for it will override any consciousness that holds anyone back from moving forward which is a huge gift; as density can easily be replaced by LIFE GIVING ENERGIES, "CHI". The Eternal Waves coming through have the capacity to override anything SYNTHETIC on the planet & within Self.

Setting Shambhalla in all Energy centers from Crown to root with an appropriate crystal connected to all CONTINENTS ON EARTH WHICH ALLOWS FOR THE CONNECTION TO THE HEART OF SHAMBHALLA and the Lions' gate being set in all 7 energy centers. THE EYE OF THE DIVINE WILL BE OPENED UP ALLONG THE EARS, WITH AN INNER DIMENSIONAL ALIGNMENTS TO BRING THE LIFE FORCE OR "CHI" BACK IN THE BODY. The Resetting of the Origin with the YAWEH/GENTLEMEN VIBRATION that was catapulted out of Tibet and now rising its Light in the Desert Region meeting up with the LADY half through the SOUTH CHINA Sea: this means a lot to this planet and its population because basically everything was split into duality and caused many fractures in

relationships. WITH IT COMES THAT THE ORIGIN OF THIS PLANET HAS CHANGED AND THUS THE YHVH composition has been restored. With these Alignments, the body finds its way back into the Inner dimensional door as an Elestial being and fusing in with the perfect colors of the Lady vibration that actually never fell during the fall, yet stranded in huge formats of inequality and massive imbalances due to Religious parlor, the malfunctions in education and the massive levels of disrespect. The Alignments also provide the Union with the Protective Layers of the Aquamarine Dream Team through which some sort of Upcycling energies will defeat these old worlds within and around you. Additionally, THE EYES WILL HAVE TO GO THROUGH A RESURRECTION PROCESS as well as reconnection to what is termed: The Aquamarine Healing component with the Energy Zip.

After completion of the Vibe & Rise Level 1 and The Elements Level 1, one can easily stream into Level 2 of both courses that would complete the I Am Immortal presence ready to flow into the Higher Light and Lite body rising with the 10 higher rays.
